We call upon the Director of @ICEgov to #RescindTheRule & end the #StudentBan in the interest of protecting students and their families, of maintaining the standards of American higher education, and of ensuring America's position as a global leader.

.[handle] #RescindTheRule because it damages the reputation of higher education in the United States as a destination that is welcoming and nurturing to the best and brightest from around the world, and a place where students can pursue and realize their American dream.

.[handle] should #RescindTheRule & provided international students temporary flexibility to allow them to participate in the range of in-person, online, and hybrid instruction that institutions are implementing in light of the pandemic and their local conditions. #StudentBan

.[handle] many of our international grad-prof students have families for which they are responsible. It would be harmful, impractical, and prohibitively expensive for students to be pulled out of school at a moment's #RescindTheRule & end the #StudentBan

.[handle], #RescindTheRule because academic and research productivity will suffer. The economy will also suffer as international students contribute more than \$41 billion and support nearly a half million jobs annually #SupportIntlStudents end the #StudentBan

.@ICEgov's rule will have real and lasting negative consequences on not only academia and institutions of higher education but all Americans. #SupportIntlStudents end the #StudentBan

.@[handle], [#RescindTheRule](#) because forcing international students and, in many cases, their families to leave the country before the semester or mid semester puts their health and well-being at risk. [#SupportIntlStudents](#)

.@[handle], [#RescindTheRule](#) because it stands at odds with America's greatest ideals, is antithetical to the ideology we claim to promote, that of equality and opportunity for all. As long as this order stands, we stand in failure of these aspirations. [#SupportIntlStudents](#)

.@[handle] In 2016, it was estimated that international students subsidized American public higher education by an estimated \$9 billion annually. [#SupportIntlStudents](#) and [#ReverseTheRule](#)

.@ICEgov's [#RescindTheRule](#) because reduced international student enrollment would likely lead to a reduction in scholarships and institutional support for domestic students that are subsidized by tuition from international students. [#SupportIntlStudents](#)
